Dear Ms. Kovalcikova,

On behalf of the Vancouver 2010 Cultural Olympiad I am pleased to express our strong interest in the production and presentation of Teatro Tatro's "The Magical Theatrical Vending Machine." Based upon the information we have received about the project, we see it working very well within the programme of Cultural Olympiad 2010. Subject to your successful realization of the project and our satisfactory negotiation of terms, we intend to present "The Magical Theatrical Vending Machine" within Cultural Olympiad 2010.

The Cultural Olympiad will celebrate the second pillar of the Olympic Movement through an extensive, multi-disciplinary, Olympic calibre program of pre-Games and Games-time arts festivals featuring some of the best contemporary artists of BC, Canada and the world. Our themes include a culturally diverse program highlighting creative collaborations and connections between artists from around the world. Teatro Tatro's new project connects well with these themes.

Yours truly,

Vancouver Organizing Committee
for the 2010 Olympic and Paralympic Winter Games
